### IMPORTANT GOVERNMENT ORDERS

#### CHIEF SECRETARIAT

##### Amendment to Rule 43 (5) of the rules under the Mysore Land Revenue Code.

o READ—

Letter No. C. 1. 4100—43-44, dated the 27th November 1944, from the Revenue Commissioner in Mysore, recommending that Rule 43 (5) of the rules under the Mysore Land Revenue Code may be amended so as to provide for the grant of more valuable lands to the people of the depressed class community on concessional terms.

ORDER NO. R. 4511-4521—L. R. 250-44-2, DATED BANGALORE, THE 4TH JANUARY 1945.

Under the existing rules, Deputy Commissioners may, at their discretion, grant to applicants belonging to depressed classes lands at half the upset price, waiving the price altogether when the upset price does not exceed Rs. 50 and when half the upset price is in excess of Rs. 50, limiting the amount to be recovered to the excess over the estimated value of the land. The Central Depressed Classes Committee have represented that the limit of Rs. 50 referred to above is low and does not enable members of this community to acquire really fertile and valuable land and have accordingly requested that the value limit of free grant in each case may be raised to Rs. 100. The Revenue Commissioner has after a careful examination recommended that Rule 43 (5) may be amended so as to provide for free grant when the value of the land does not exceed Rs. 75 and for the recovery of the excess of the value of the land over Rs. 75 when half the upset price is below Rs. 75.

Government are pleased to sanction the Revenue Commissioner's recommendation and to direct that Rule 43 (5) be amended so as to read as follows:—

Notwithstanding anything hereinbefore stated, the Deputy Commissioner may, at his discretion, grant to applicants belonging to the Depressed Classes who are *bona fide* agriculturists or propose to cultivate the land themselves, lands at half the upset value, the amount being recovered in not more than five instalments. Where half the upset price is below Rs. 75, the price to be recovered from the grantee may be limited to the excess, if any, of the estimated value of the land over Rs. 75. In cases where the upset value does not exceed Rs. 75, he may waive the recovery of price altogether.

A notification amending Rule 43 (5) of the rule under the Mysore Land Revenue Code will issue separately.
